Dear Sir / Madam

# PLANNING PERMIT APPLICATIONFOR THE REMOVAL OF A COVENANT 15 GARD ROAD, MOUNT COTTRELL

Human Habitats acts for the permit applicant, Wilcon Projects, in regards to a planning permit application for the land at 15 Gard Road, Mount Cottrell (Lot 8 on Plan of Subdivision 701128Q); for the removal of a covenant (Instrument Number F239203).

#### 1 Introduction

Upon review of the covenant, we believe that it is outdated and no longer relevant in today's context. This letter sets out the details of the covenant and provides justification for the removal of the covenant as it relates to the land at 15 Gard Road, Mount Cottrell on Plan of Subdivision 701128Q (V08782 F413).

In addition to this, we have set out all benefitted and burdened lots associated with the covenant.

The application is accompanied by the following documents: Please see below our submissions/justifications on the matter.

## 2 Summary of Covenant (F239203)

The restrictions that the covenant imposes on the land are summarised as follows:

- Any new dwelling proposed achieve a minimum dwelling size of not less than ten (10) squares; and
- Any new dwelling must have external walls made of brick, brick veneer or such materials as is approved by the Building Inspector of the Shire of Werribee.

For the full details, please refer to a copy of the Covenant attached at Appendix A of this letter.

#### 3 List of all Burdened Lots

As detailed within the Beneficiaries Search Letter prepared by Feigl & Newell Pty Ltd, it is understood that the only land burdened by the Covenant is the subject land.

Burdened Lot							
#	Address	Lot Number	Plan of Subdivision Number				
1.	15 Gard Road, Mount Cottrell	Lot 8	PS701128Q				

#### 4 List of All Benefited Lots

As set out within the covenant, covenant F239203 "shall be attached to and run at law and in equity with each and every lot on Plans of Subdivision numbers 92917 and 92918".

For Council's convenience we have set out the addresses and lot and plan numbers for each of these in the table provided at Appendix A.

This has also been set out diagrammatically within the provided Beneficiaries Search Letter prepared by Feigl & Newell Ptu Ltd.

#### 5 Considerations

Since the covenant was originally applied to the title (in 1974) there have been significant changes to the local planning and development context that have resulted in this covenant unnecessarily encumbering the development of the site. We note that the built form controls for new housing on the site have become far more sophisticated since 1974 through the advancement of built controls such as the Wyndham Planning Scheme, the Building Code of Australia and Small Lot Housing Code (November 2019).

In addition to this, the subject site currently has a multi-lot development application underfoot (WYP13051/21) which will impose the Small Lot Housing Code on all lots except one (1) that will add a further layer of built form controls that will ensure that new housing will achieve acceptable levels of internal amenity and be of sound construction.

Finally, if the covenant were to be removed, it would give far greater opportunity for the site to be developed in accordance with the current planning and building controls and without the outdated restrictions related to the covenant.

### 6 Summary

Due to the significant changes to the planning and development context since the covenant was applied, we believe that the restrictions applied under the covenant are now outdated and unnecessary, demonstrating that covenant F239203 should therefore be removed from our client's title, known as Lot 8 on Plan of Subdivision 701128Q.

We believe that this letter and the accompanying material provides Council with sufficient information to process this request in a timely manner.
